

Wimble has operated solely as a PNG based company for over 100 years, supplying printing and graphic art supplies throughout the country and into the South Pacific.

Over the last 10 years Wimble has become a vastly diversified company and supplies products to multiple industries. We are now recognised as the leader in packaging in Papua New Guinea and have expanded our range of products to include chemicals, cleaning products, personal protection equipment, food service containers, specialty bags and stationery.

A focus of the company is to limit the impact on the environment and supplies an extensive range of ECO products to the mining and food service industry from wooden cutlery, paper bags, disposable paper food containers and compostable materials.

Wimble has branches in Port Moresby, Lae, Alotau, Kiunga, Wewak, Manus, Bouganville, Kokopo and Mt Hagen.

Double A

At *Double A*, sustainability begins with using sustainably grown trees that help reduce carbon dioxide and help fight climate change.

ZERO TREES FROM FOREST

**Professional quality paper
made from environmentally
sustainable sources**

The remarkable qualities of **Double A** paper are derived from the high fiber content of **the Paper-Tree**.

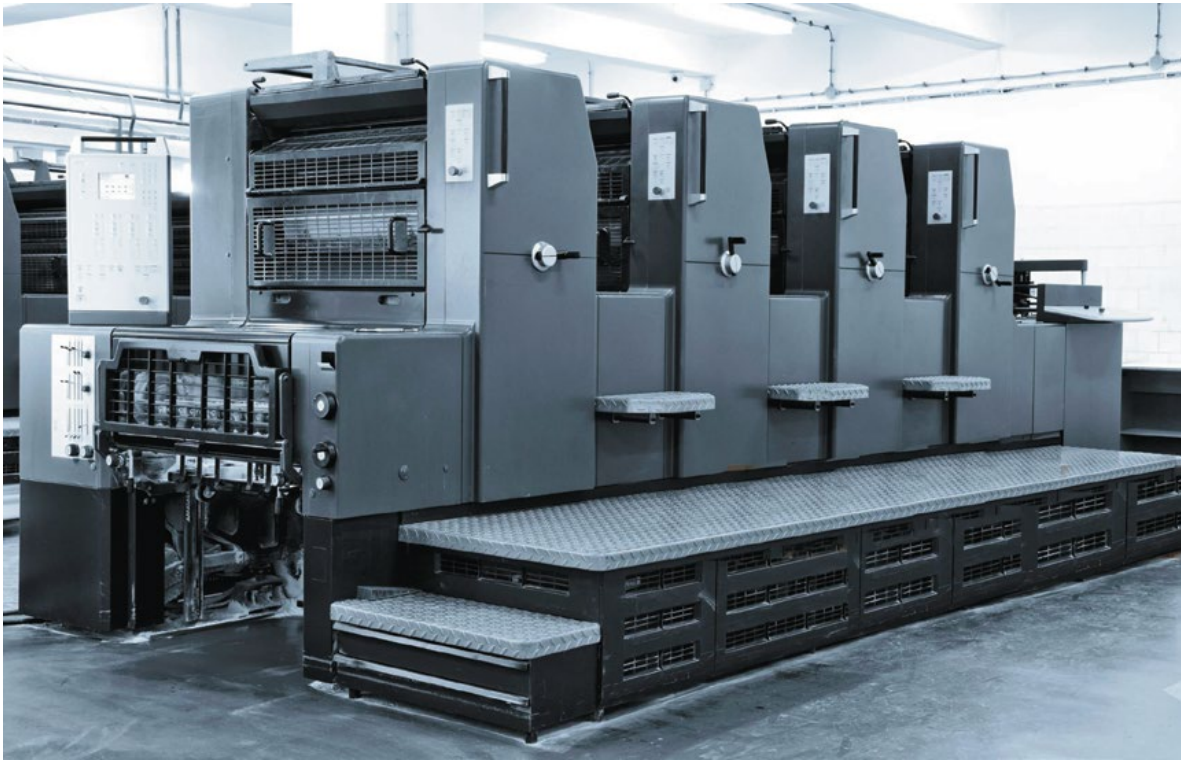

The 30 million fibers per gram content of The material sourced from the Paper-Tree results in excellent smoothness and thickness that provide sharper print, vivid colors, and double-sided printing.

Smoother —
— ***Thicker***

Double A

Premium quality paper globally recognized and trusted in 145 countries.
